## CRYSTAL COLLECTIONS

Here at Diyas we believe the allure of crystal is timeless. This is why we continue to develop and refine our ideas producing exquisite, elegant and graceful designs, giving a 21st Century twist to this most traditional material. We consider purity and refinement to be essential qualities in all our products. Our inspiration comes from nature itself.

# CAMDEN

Camden is a distinctive collection of pendant lights and wall lamps, available in Chrome and for the first time Rose Gold. Streamlined, each pendant looks impressive either on its own or as a group. The 3 light pendant is staggered to create a more dimensional shape, and is impressive on its own. Glass mosaic conceals the G9 lampholder and crystal strands drape at the bottom to give the light more weight and decoration.
