Here at Diyas we believe the allure of crystal is timeless. This is why we continue to develop and refine our ideas producing exquisite, elegant and graceful designs, giving a 21st Century twist to this most traditional material. We consider purity and refinement to be essential qualities in all our products. Our inspiration comes from nature itself.

ZANTHE

ZANTHE

An effective family of Polished Chrome fittings with continuous suspended smooth glass rods throughout every product. The high density of glass rods refract the light in many ways creating a unique and attractive display. The combination of the glass rods and structural design of this fitting sets this most extraordinary light fitting in fine stead. A modern design with a neutral appeal.
